

ABOUT THE CONSULTANT

Bill Foss
The Clarity and Alignment Coach

Bill believes that clarity is the first step to the solution to every challenge.

If you are committed to building a 6-figure to 7-figure business and/or feeling overwhelmed, stuck, or frustrated Bill is excited to help.

Bill will guide you to discover and blend your unique values and innate talents and help guide you to align your business in a way that reduces friction so you can enjoy increased income, energy, and free time.

Bill's magnetic visioning process and other exercises help you gain clarity to set a direction for your ideal business and life.

He can help you blend your unique spirit with a practical approach to your business resulting in your business being fun, productive, and profitable.

Bill brings 40 plus years of entrepreneurial experience in varied fields, an award-winning real estate brokerage owner, a master franchisor of a major national real estate brand, retail, and online businesses. He has committed himself to extensive studies in coaching and other breakthrough approaches including being a master certified NLP practitioner and formerly certified Hypnotherapist.
