

**Do You Believe Accountability to Micro-commitments Would  
Change Your Life and Business In the Next 12 Months?  
Get UNLIMITED One-On -One Customized Coaching  
Get Maximum Results For A LOW Investment**

The Laser Coached program was designed specifically to get great results from short bursts of discovery, coaching, commitment, and accountability to actions. The program is customized to your specific situation and challenges.

Laser Coached considers the busy, and overwhelming lifestyle so many are living these days, by using an effective and efficient process to help you stay focused, on task and moving forward.

**\*Unlimited Session Means Unlimited Access to 1-on-1 coaching sessions  
with only one guideline.**

To schedule your next session you must have completed the prior commitment OR you are stuck or challenged by a specific challenge (or challenges). In which case, the session will focus on overcoming the specific challenge. You MAY schedule back-to-back sessions for bigger challenges ONLY if we agree in advance, subject to my availability.

## ABOUT THE CONSULTANT

**Bill Foss , The Clarity and Alignment Coach**

Bill specializes in helping his clients gain clarity and create a framework to build an aligned business that serves the client's dream life. Bill will focus on clarity of self-knowledge, clarity of direction, and clarity of environment. Together you will decide what skills need to be upgraded, how to best optimize the environment and mindscape that may be inhibiting success.

Bill believes that clarity is the first step to the solution to every challenge.

Bill also believes that clarity will help you maximize practical business practices, marketing, skills, and energy.

If you are committed to building a 6-figure to 7-figure business and/or feeling overwhelmed, stuck, or frustrated Bill is excited to help.

Bill will guide you to discover and blend your unique spirit, values and innate talents and help guide you to align your business in a way that reduces friction so you can enjoy increased income, energy, and free time.

Bill's magnetic visioning process and other exercises help you gain clarity to set a direction for your ideal business and life.

Bill brings 40 plus years of entrepreneurial experience in varied fields, an award-winning real estate brokerage owner, a master franchisor of a major national real estate brand, retail, and online businesses. He has committed himself to extensive studies in coaching and other breakthrough approaches including being a master certified NLP practitioner and formerly certified Hypnotherapist.
